

Visualization: Bowls

Equipment:

6 white golf balls, 6 yellow golf balls, 1 orange golf ball.

Set-up:

Have a start line where all the balls are set and where the players will roll the balls from. The line should be at the other end of floor from where the students are rolling the balls towards.

Description:

This game is based around the idea of 2 students competing against each other, trying to roll one of their balls closer to the target ball than their opponent can manage. Players can roll balls to knock opponent's balls out of way as well as trying to judge speed and line of roll to get close to target ball.

Instructions:

This is a 2 player game. Target ball is placed by one player at the opposite end of floor and players take alternate turns to roll their own colored balls down the floor with the aim of getting closest to the target ball. The player that gets their ball closest to the target ball scores 1 point. If the 2nd closest shot belongs to the same player as the closest ball then the player scores 2 points.

Scoring:

Student who wins most games scores a 4, the runner-up scores 5.
