

Visualization: Bean Bag Toss

Equipment:

Target board x2, bean bags.

Set-up:

Two target boards set 6 paces apart with 7 bean bags behind one of the boards.

Description:

Student stands behind one of the boards to throw 7 bean bags through the opponent's target. Students can compete against each other to see who can make the most shots successfully.

Instructions:

Students are to remain behind the board until each competitor has thrown all 7 bags. Competitors throw in an alternating order until each person has thrown 7 bags. There is no set technique required for throwing the bags.

Scoring:

Top performer scores 3, runner-up scores 4, if a third person in group they score 5.
