

Technology: Longest Drive

Equipment:

Dancing Dogg, junior driver, golf balls, rubber tee.

Set-up:

Student will be hitting ball into net from Dancing Dogg.

Instructions:

This is a contest to see which student can hit the longest drive using a driver and the Dancing Dogg technology. Students will get 3 attempts to hit a ball and the longest shot they hit out of the 3 will be recorded. After 3 shots the next student will take their turn.

Scoring:

Students hitting over 200 yards score a 3. Students hitting 150-199 yards will score a 4. Students hitting 149 yards and below will score a 5.
